TUITION INFORMATION

PAYMENT

Automatic payments must be set up in our Tuition Management System (TMS) prior to beginning care. Set up of the TMS is mandatory for enrollment.

Payments may be made on a monthly basis or in one or two installments as described above.

Late Charges for all families will begin at 5:31 pm. Any pick up after 5:30 pm is billed at $2 per minute. These charges will be invoiced separately from your monthly tuition.

A late payment fee is assessed monthly on any past due charges. If a family is more than 2 months due the student(s) will be administratively withdrawn from the program.

CLOSURES

Please consult the calendar to determine days when sessions will not be held. These days are still included in the tuition fee.

In the event of any closure due to weather or illness, refunds for school tuition will not be provided. This policy does not apply to long-term closures - exceeding five days - due to epidemics or pandemics.
