Payments may be made on a monthly basis or in one or two installments.

For students enrolled in a School Day schedule, extended care charges will begin if the student is dropped off prior to 7:45 or picked up after 3:15 pm. These charges will be invoiced separately from your monthly tuition. Extended care is billed at $10 per hour.

Late Charges for all families will begin at 5:31 pm. Any pick up after 5:30 pm is billed at $2 per minute. These charges will be invoiced separately from your monthly tuition.
