

SCRIPS Program

Companies are wanting to give CCA money, we need to do our part to collect it. This should be the only place you purchase gift cards.

Gift Cards are not only for gifts. They can be used as a budget tool, instead of cash or check.

Here is how our family does it. Plan our monthly budget and buy cards and use them.

Example	card	profit
HyVee.....	\$400	\$10
Wal-Mart.....	\$200	\$4
MFA.....	\$200	\$4
Clothes.....	\$50	\$5
Night Out.....	\$50	\$4
Coffee.....	\$20	\$2
Monthly Funds.....	\$29	
Annual Funds.....	\$290	

If 50 families did this we could make \$15,000

No selling in this fundraiser

No out of pocket money, you pay the face value
