PRINCIPAL'S PERSPECTIVE

Our Volunteers are Awesome!

Dear Parents,

God...will not forget your work and the love you have shown him as you have helped his people and continue to help them. (Hebrews 6:10)

We began this school year with a call to unity, followed in December by a challenge to "build the wall of sustainability" around CCA with your gifts of time, talent and treasure. Your response has been incredible! We have been blessed by an amazing group of volunteers who support CCA in a variety of ways. I thank you for your generous hearts.

Your volunteer hours in the classroom, lunchroom, playground, field trips and special events have enriched the learning atmosphere and promoted fellowship among our school families. Thank you for each hour, whether it be 10 or more than 100. You have made a difference!

Some of you have taken on leadership responsibilities in the areas of promotion and fund-raising. Your expertise has generated contributions and spread the CCA story in the community. Thank you for sharing your creative skills to bless our school!

Many of you have responded to our calls for financial gifts to the school. Because of your generosity, we are able to provide a small raise for our teachers, and several families are receiving assistance that enables them to continue attending CCA. Thank you for your contributions!

God has promised that He "will not forget your work." Part of your reward will be the improvement and growth of Christian Chapel Academy and the blessings you will see in your children. Part of your reward will be realized only in Heaven. Again, I express my appreciation for every hour, every dollar, every idea that you have contributed to make CCA a better place. Our volunteers are awesome!

Sincerely in Christ,

Art Morgan, Principal
