## *We Have Room for More*

Dear Parents,

This week I have talked with three families who are interested in bringing their children to CCA. Their first question is always, "Do you have room for my child?" You can imagine how excited I am to reply, "Yes!" One of these families has already enrolled, and the other two are in the decision-making process.

Our newest student is enrolling because of positive comments by one of our current families. In your circle of friends and neighbors, there may be families who are looking for alternatives to their current school. Please be ready to speak an encouraging word about CCA. The old saying, "the best advertisement is a satisfied customer" is certainly true at Christian Chapel Academy.

Our "Refer a Friend" program is designed to reward you for encouraging other families to check out our school. If a student enrolls on your recommendation and stays through the month of October, we will give you \$200 in time for Christmas shopping! Details are available on our website. Go to "For Parents" and click on "Refer a Friend."

Not only do we have room for more students, but, more importantly, we have room for more of God's blessings during this challenging economic time. We need God's blessing of provision through generous contributions and special circumstances that only God can arrange. We need God's blessing of wisdom as we navigate these difficult days.

I ask you to pray daily for the Christian Chapel Board of Directors and the School Leadership Team during the next several weeks, as we seek God's direction for our wonderful school. Let's unite in prayer with total confidence in God's ability to do "immeasurably more than all we ask or imagine, according to his power that is at work within us" (Ephesians 3:20)!

I look forward to seeing what God will do as we call upon Him!

Sincerely in Christ,

Art Morgan, Principal
