PAYMENT

Automatic payments must be set up in our Tuition Management System prior to beginning care.

Payments may be made on a monthly basis or in one or two installments.

For students enrolled in a School Day schedule, extended care charges will begin if the student is dropped off prior to 7:45 or picked up after 3:15 pm. These charges will be added to your monthly tuition. Extended Care is billed at \$10 per hour, or prorated at 16 cents per min.

Late Charges for all families begin at 5:31 pm. Any pickup after 5:30 pm is billed at \$2 per minute. These charges will be added to your monthly tuition.

A late payment fee is assessed monthly on any past due charges. If a family is more than 2 months past due the student(s) will be withdrawn from the program.
