PAYMENT

Automatic payments must be set up in our Tuition Management System (TMS) prior to beginning care. Set up of the TMS is mandatory for enrollment.

Payments may be made on a monthly basis or in one or two installments.

For students enrolled in a School Day schedule, extended care charges will begin if the student is dropped off prior to 7:45 or picked up after 3:15 pm. These charges will be invoiced separately from your monthly tuition. Extended care is billed at \$10 per hour.

Late Charges for all families will begin at 5:31 pm. Any pick up after 5:30 pm is billed at \$2 per minute. These charges will be invoiced separately from your monthly tuition.

A late payment fee is assessed monthly on any past due charges. If a family is more than 2 months due the student(s) will be administratively withdrawn from the program.
